

Report of Committee Meeting at December 2015 Assembly

Our committee met in Farmington at 8:35 am with 19 people attending. Four people asked to become active members of the committee, bringing our total committee membership to 16!

Two motions to be introduced under "New Business" at the afternoon business meeting were proposed, discussed and approved : (1)that all or some portion of the March assembly be devoted to pre-conference issues, and (2) that Friday night activities before an assembly be included in the assembly agenda and notice of time and place be provided by the registrar.

Regarding the pre-conference motion, it was recognized that a lot of details would need to be worked out, but first it was important to get a sense from the assembly as to whether the area should pursue this idea. If so, then the assembly development committee would meet with our new delegate and our trusted servants to form a proposal to present at the January assembly planning meeting.

Meeting attendees also requested that the motion regarding Friday night activities clarify that these were optional with the host district. The proposed motion was amended as requested.

We discussed the desire to change the name of our committee to something shorter and easier to remember. Suggestions for a new name, as well as ideas to improve our assemblies or make them more fun, could be placed in the committee's suggestion box. (Sadly, on Sunday morning the Suggestion Box disappeared and has not resurfaced. If you have ideas, please email them to dandfr@nm-aa.org.)
